

UNITED STATES ARMY

Dear mom + everyone  
Today's Sat. + we were  
only on duty until after lunch.  
We had to go clean up a big  
race track today. I wanted to  
be sure and wish you happy Mother's  
Day, which is tomorrow.

I just got a letter from  
Dee Dee. It sure is nice to get  
mail. She didn't have any real  
big news - it sounded like everything  
was running pretty smooth. I  
was sorry to hear about the refrigerator.  
You guys didn't have insurance for  
it did you? Wouldn't it be covered under  
the house insurance?

I was on K.P. yesterday +  
I was probably better off. My back  
(left lower) + the calf of my left leg has  
been giving me trouble since Thurs.  
eve. I thought it was just sore from  
shin burn by my ankle

UNITED STATES ARMY

Exercising so much  
but it hasn't got any better  
If it's not better by mon. I  
guess I'll have to go on sick-call -  
I sure hate to because they start  
our P.T tests (physical Training) mon.  
Whatever I miss I'll have to make  
it up. They cram so much stuff  
at you at once if you get behind  
it's hard to get caught up. Another  
thing is if they can't find anything  
wrong with my back - they'll think  
I'm faking. A lot of guys go on  
sick call just to get out of training.  
Well I guess I'll close for now &  
write dee dee. I've got a lot of work  
to do on my locker too. So write  
soon.

Love,  
Jerry

P.S I'm doing  
pretty good other than my  
back trouble -
